

Board action May 2007

As an adjunct to discussion during our annual meeting regarding the financial report presented by Treasurer Harriet Tower, the board took action to approve funding for President Sandy Kirkpatrick to attend the Association convention in Phoenix. \$400 was in the budget as presented. Sandy asked that the \$50 in the budget for a Past President's pin be moved to the Association convention budget. \$200 was in the budget to attend the AAUW-CA convention. This was not used since no primary members of the branch planned to attend the state convention, It was moved and seconded and approved to provide the funding from the identified sources.

FYI: branchmembership committee members Sharon Gomez and Mary Rack are currently preparing a branch presence in the Hello World online community at helloworld.com. A video for this website is under development.

A PowerPoint presentation is being prepared for the Taste of Success display at the Association convention. Sandy Hansen is preparing this file to be displayed on laptop computers in the display area. A board committee of Mary Rack, Jeanne Lese, and Harriet Tower assisted by members Sharon Gomez and Gail Swain have been working with Sandy.

Please respond to them if you are asked for any help with these presentations.
