

You've come to the right place if you:

- **have an associate degree or higher (or equivalent), or are a college or university student**
- **believe in Pay Equity, Voting Rights, a woman's choice to make health decisions about her own body, and equal rights for girls and boys, men and women**
- **and much more!**

We would love to have you join us! AAUW is a national organization whose mission is to advance equity for women and girls through research, education, and advocacy. Our vision is equity for all. Our values are non-partisan, fact-based, principled, inclusive, and intersectional. We strongly believe in pay equity, social justice and that a woman should have the right to make her own medical decisions about her body.

We strongly support AAUW's [Vision and Values](#). Our 2023-2024 year (July 1 – June 30) includes amazing programs, interest groups, and opportunities to be involved with AAUW's Issues, Public Policy, Speech Trek, and Diversity, Equity and Inclusion (DEI). We have a diverse membership that includes members outside of California because of the quality of our programs and the wealth of knowledge and dedication of our members.

Busy, but believe in the AAUW Mission? We are the branch for you! We have no in-person meetings, our branch meets on Zoom for some programs, and for our interest groups. We do have some programs via email. And since Zoom programs are recorded, and many interest group meetings are recorded, you can check things out on your own timetable.

Joining and renewing is easy electronically using [AAUW's Community Hub](#) or by [check](#) payable to AAUW CA Online. AAUW is a national organization that has three levels of membership: national, state, and branch. Branch members must also be members of the national and state organizations. (Hub Instructions: If you already belong to or have even been a member of AAUW, use "Forgot Password. If you are completely new to AAUW, click on "Don't Have An Account.") I have included the link to our [website](#) which includes a video of our January 2023 meeting program on "*Surviving the Pandemic, and Taking Care of our Mental Health*".

Please consider attending one of our monthly Meet & Greet Happy Hours on the 2nd Thursday of each month at 5 pm CA time: <https://us02web.zoom.us/j/7290010503>. Please feel free to contact me by email.

I look forward to speaking with you.
